## The Rally In Albuquerque Was A HIT!!!

WOW!! What a show! Some folks said “things were a little slow” compared to previous rallies but what I took from the show was “what a great attitude” RVers have. We handed out roughly a 1,000 brochures and had a ball visiting with folks who have stayed at our Resort and enjoyed hearing about how much they liked their past visits. One thing that stuck out from their comments was not so much the facilities (which are five stars\*\*\*\*\*) but the compliments on our staff and their genuine care for their customers/friends. I don't know what the future holds, none of us do, but RVers have an infectious attitude that is refreshing.

## **Nightly Meals Will Be Available @ The Oasis RV Resort**

Starting in MAY, nightly BBQ meals will be available to our guests for a very reasonable price! These meals will be offered Monday thru Saturday. On Sunday Nights we will have RIBS!!! All meals will include potato salad, world famous Texas style beans and soft drink beverages (or you can BYOB!) It will be a great time to relax, visit and network with guests...swap a few stories too! Not only will you get a break from cooking, you won't even have to wash the dishes!!!

So the next time you are driving through on Interstate 40 give us a try and you will understand why everyone says “Oh my gosh, I never knew” the first time they visit.

Keep in mind we are a friendly business and we could use a little help in spreading the word.

Have a great 2009 and safe travels!

## **TBarr's Butt Was a Success!**

On Monday Night After the rally, we had almost 200 guests stop off at Oasis RV Resort. We decided to treat everyone to 40 lbs of Boston Butt (pulled pork sandwiches). Everyone had a great time....we did not float the Keg, but we came close! The party was so successful that beginning in May we will be offering nightly meals.

This park is amazing. Free WiFi at every site, free cable TV, on-site propane, and FREE laundry facilities. Three buildings with individual bathrooms & showers and laundry plus soft drink machines and ice machines are spaced around the park -- in addition to the office building with pool and spa. They say there is a fitness room but I didn't find it. They let you wash your rig for free, too. All this for \$17 which is advertised as a "Stimulus Special." \$15 for pop-ups and pull trailers, \$17 for 5th wheels and class Cs, and \$20 for class As. Best bargain around! No shade trees -- everything is paved or concrete -- huge sites with patio. We camped here in a Fifth Wheel.

This is probably the best bang for your buck you will find in the State of Texas. The weather was not ideal during our 8 night stay so we did not use the pool, hot tub, etc. The sites are great; the pads are large and concrete. We enjoyed the free Laundry and ability to wash your vehicle on site. Good wi-fi, good cable, and good water. -We will be back as we have family in the area. Good place. We camped here in a Motorhome.

It is a great park with lots of amenities. Free laundry, nice spa, big sites, free wifi and wide roads. Lots of pull through sites. The park was only about 1/3 full when we were there. The rate is their stimulus rate and the Passport America rate. I would almost go out of my way to stay here again. We camped here in a Fifth Wheel.
